

ICRERA 2025

14th International conference on renewable energy research and applications
October 27-October 30, 2025, Vienna, Austria

ICRERA 2025: Presenter Author's Biography

Presenter Name: Jun Jiang
Presenter E-mail: s21a4055co@s.chibakoudai.jp
Organization: Chiba Institute of Technology
Department: Dept. Electrical & Electronic Engineering
Country: Japan
Paper ID: 129
Paper Title: Design of Class-E/F₂ Inverters

Brief Biography

Jun Jiang was born in Fujian Province, China, on March 30, 2001. He is currently pursuing a Master of Engineering degree in Electrical & Electronic Engineering at the Chiba Institute of Technology. His current research interests mainly include high-frequency and high-efficiency inverters.
