

# ICRERA 2025

## 14th INTERNATIONAL CONFERENCE ON RENEWABLE ENERGY RESEARCH AND APPLICATIONS

### **Taiga Yamaguchi**

Chiba University, Chiba, Japan

**Paper ID** : 181

**Paper Title** : Novel full converter topology for variable speed wind generators

### **Bio :**

Taiga Yamaguchi is a master's student in the Department of Electrical Engineering at the Graduate School of Engineering, Chiba University, Chiba, JAPAN.

He received his Bachelor of Engineering degree in Electrical Engineering from Chiba University, Chiba, Japan, in 2025.

His research interests include wind turbines and power electronics.
