

**ICRERA 2025**

**14th INTERNATIONAL CONFERENCE ON RENEWABLE  
ENERGY RESEARCH AND APPLICATIONS**

**Assis. Prof. Dr. Alireza Payman**

University Of Le Havre-Normandie, Le Havre, France

**Paper ID** : 227

**Paper Title** : Energy Management for Hybrid System using Backstepping Controller

**Bio:**

**Alireza Payman** received the B.Sc. degree in Electrical Engineering from Iran University of Science and Technology, Tehran, Iran, in 1999, the M.Sc. degree in Electrical Engineering from the University of Tehran in 2002, and the Ph.D. degree in Electrical Engineering from the University of Nancy, Nancy, France, in 2009.

He is currently an Assistant Professor with the University Of Le Havre-Normandy France. His research interests include the control of electrical hybrid systems, energy management, power electronics and drives, and renewable energy.
