

ICRERA 2025

14th INTERNATIONAL CONFERENCE ON RENEWABLE ENERGY RESEARCH AND APPLICATIONS

Anna Gucwa

AGH University of Krakow, Poland

Energy Transition Campus Amsterdam, Netherlands

Paper ID : 279

Paper Title : Balancing renewable energy intermittency: A comparative study for Netherlands and Poland

Bio :

Anna Gucwa is a MSc student in Sustainable Energy Systems at the Faculty of Energy and Fuels AGH. She has an undergraduate degree in Renewable Energy and Energy Management at the same faculty.

Her main areas of interest include sustainable energy system modelling, renewable energy technologies and data analysis. She is currently completing an internship at the Energy Transition Campus Amsterdam, where she is working on developing a model of German energy system and its energy transition scenarios.
